**WORCESTER COLLEGE / LAW FACULTY
GRADUATE SCHOLARSHIP 2017/18
(BCL AND MJUR)**

All students who are applying for the Bachelor of Civil Law or Magister Juris are eligible to be considered for this scholarship. The scholarship amount is £10,000 towards University and College fees, with any remainder paid directly to the student for living expenses.

There is no separate application procedure for this scholarship; eligible candidates who apply for graduate study at the University by the January deadline, in their year of entry, will be automatically considered.

Decisions will be taken by the Law Faculty on the basis of academic merit.
